

# Kingaroy NDIS information session with the Federal Member for Maranoa, the Hon David Littleproud

The National Disability Insurance Scheme (NDIS) is the new way of providing support for people with disability, their families and carers in Australia.

The NDIS is being gradually rolled out across Australia over three years (2016-2019) to ensure it is successful and sustainable.

Please join the Federal Member for Maranoa, the Hon David Littleproud, and the National Disability Insurance Agency (NDIA) at an information session for people with disability, their families and carers, and community members to find out more about the NDIS and get your questions answered.
