David Littleproud MP pays tribute to Lawrence Springborg MP

Member for Maranoa David Littleproud has today said he was saddened by his good friend, mentor and LNP colleague Lawrence Springborg's announcement that he will not be re-contesting his state seat for Southern Downs at the next Queensland election, but that he respected Mr Springborg's decision.

"Lawrence Springborg is one of the most distinguished, knowledgeable, pragmatic and honourable representatives in Australia's political history, but beyond that, Lawrence is a top bloke and I am lucky to consider him a good friend.

"I wish Lawrence, his wife Linda and their family every success in their future endeavours.

"Lawrence is truly a man of the people and I passionately believe that he still has so much more to offer not only the people of Southern Downs, but Queensland.

"It is my sincere hope that Lawrence's talent and intellect are put to good use beyond his career as the State Member for the Southern Downs".
