### Expressions of Interest open for Stronger Communities Programme

- **Expressions of Interest for Round 4 of the Stronger Communities Programme open from August 6 – August 21**
- **Projects must deliver social benefits to your community**
- **For more information phone Maranoa MP David Littleproud's office on 4662 2715**

WOULD \$20,000 make a difference to your community group? Maranoa MP David Littleproud seeks Expressions of Interest from community groups and local government to receive a share of \$150,000 under Round 4 of the Stronger Communities Programme.

“My electorate will receive \$150,000 in Federal Government funding under the Stronger Communities Programme. Up to 20 projects can be funded, across Maranoa, ranging from \$2500 to \$20,000 and I can't wait to see what projects are put forward to help strengthen our rural communities,” Mr Littleproud said.

“Our bush communities are the heart of this country and I want to make sure we do well from this funding.

“We're looking to fund small capital projects, which can range from upgrading the local community hall, installing lights at the football field, building playgrounds at parks or providing essential equipment for the local SES.”

No more than 50% of the total eligible project cost can be funded through this grant. The remaining share of the project cost can be sourced from local and state government funding; or cash or in-kind support.

Click on the Stronger Communities tab on my website to download and complete the Expression of Interest form. Make sure your submission is lodged with Mr Littleproud's office before 5pm, August 21.

Phone Mr Littleproud's office on 4662 2715 for more information.
