\$625,000 in Capital Grants for Dalby Christian College

Member for Maranoa David Littleproud visited Dalby Christian College today to announce \$625,000 to build a learning enrichment centre.

“Dalby Christian College will get a new building with classrooms, multipurpose rooms and meeting rooms,” Mr Littleproud said.

“The Coalition Government wants to give regional students the best chance to succeed.

“Good facilities help that, and students at Dalby Christian College will be able to learn and thrive in a new, modern building.”

Mr Littleproud said the Coalition Government has committed \$660 million over three years to help non-government schools to improve their infrastructure.

“Education is a state responsibility but we’re doing our bit anyway,” Mr Littleproud said.

“I congratulate Dalby Christian College on their successful application and look forward to seeing the new building helping local students.”
